BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure electronic messaging signs with installation at various County facilities from Robson Corporation without conducting a competitive solicitation process for the following reason(s):

Manatee County has previously awarded electronic sign projects to Robson Corporation through a competitive solicitation. The County has decided to standardize all electronic messaging signs at its facilities utilizing previously awarded designs and specifications, thus allowing savings on tooling and artwork costs as well as quick replacement of vandalized or otherwise damaged signs.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 14, 2020 for evaluation and consideration.
