BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Tarpomatic tarping machines and supplies from Tarpomatic, Inc. without conducting a competitive solicitation process for the following reason(s):

The landfill has need of large tarps to keep debris from being scattered outside the landfill boundaries. The County has established a standard of use to the Tarpomatic brand tarp machines and supplies for the past several years. The Utilities Department and Procurement have determined that this equipment and associated supplies sourced from the OEM, Tarpomatic, Inc. is in the County's best interest.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 3, 2020 for evaluation and consideration.
