BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure 24 Hydromatic submersible pumps from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

Barney's Pumps, Inc. (BPI) is the sole distributor of hydromatic pumps for the southwest Florida region.

The County has standardized on BPI pumps to allow for direct replacement, reduced parts inventory, and warranty considerations.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 3, 2020 for evaluation and consideration.
