BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure maintenance and support services on Automic software applications from CA Technologies, Inc. without conducting a competitive solicitation process for the following reason(s):

This software is a critical part of daily operations of the County. It supports OneSolution, Banner, OnBase, and GIS applications as well as Building and Development Services, the Utilities Department, the Manatee Sheriff's Office, and the Property Appraiser's Office.

CA Technologies, Inc. is the sole proprietor of their software and the only authorized company to maintain and upgrade the software.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 22, 2020 for evaluation and consideration.
