**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Detention Center Door Replacement from Noah Detention Construction, LLC without conducting a competitive solicitation process for the following reason(s):

Noah Detention Construction, LLC is certified by Southern Steel Company to purchase, service, and install secure doors used in detention facilities. Detention security doors cannot be purchased by companies not registered as a detention facility contractor. Noah Detention Construction, LLC is familiar with the Countys facilities and specific needs and has sources to obtain parts for specialized fixtures which are security rated and require specific installation methods.

Based upon these factors, the County plans to standardize the above referenced service.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than August 5, 2021 for evaluation and consideration.
