**ACTION DESIRED**

Authorization to award Invitation For Bid # 10-3263-DS, 2010 Lift Station Emergency Generators Group 2 to the lowest responsive, responsible bidder meeting all aspects of the terms and conditions, and specifications to Lovin Construction Inc. located at P.O. Box 20575, Bradenton FL 34204-0575, for a total base bid of **\$488,120.00** (Option "A" 300 calendar days) and a subsequent execution of contract, and acceptance of insurance.

**ENABLING/REGULATING AUTHORITY**

Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.)

Manatee County Code of Law, Chapter 2-26 Manatee County Purchasing Ordinance, Section 2-26-40 and the Standards and Procedures approved by the County Administrator.

**BACKGROUND/DISCUSSION**

- The work included in this contract consists of the installation of seven (7) diesels and one (1) natural gas emergency generator sets at selected lift stations in order to maintain continuous operation in the event that the primary power source is not available. The Contractor is responsible for providing, at his own expense, what is necessary to obtain all permits required for the work. The contractor is not responsible for installing natural gas service lines and setting up gas service meters. The contractor is responsible for installing a gas line from the installed natural gas emergency generators and connecting to the existing gas meters/ball valves installed by TECO. The Contractor is responsible providing record drawings to the County.
- The Contractor shall furnish all shop drawings, working drawings, labor, materials, equipment, tools, services and incidentals necessary to complete all work required by these Specifications, the current Manatee County Public Works Utility Standards, and as shown on the Contract Drawings and as shown on the Contract Drawings.
- Background/discussion continued on page 2.
- See page 2 for further details.

Recommendation for Award - IFB #10-3263-DS

The bids for the above referenced project have been reviewed by staff. The bid tabulation form is attached for your review. It is recommended that the contract Bid "A" with a construction time of 300 days be awarded to the lowest responsive, responsible bidder, Lovin Construction in the amount of \$488,120.00.00 and in accordance with the terms and conditions of the bid package. Upon completion of project award, please provide a copy of the purchase order assigned to the contractor. The funding source for this contract is Utility Rates. The background for this recommendation is detailed below:

- Florida Power Solutions submitted a protest letter to Purchasing on 10/26/10 stating that the apparent low bidder Lovin Construction did not meet the licensing criteria for the installation of natural gas generators, referencing Florida Statute 527.
- Project Management staff investigated Florida Power Solutions' claim with Lisa Bassett the Chief Bureau of LP Gas Inspection with the Department of Agriculture and Consumer Services. She indicated in writing that there are no regulations restricting a contractor from installing a natural gas generator in the state of Florida.
- Project Management staff also contacted Jim LaBarr, Senior Construction Inspector for the Manatee Building Department to insure that there were no local codes limiting natural gas work. He stated that a licensed plumber must do that type of work, which Lovin Construction will provide.
- Project Management sent a memo to Mr. Rob Cuthbert on 11/18/10 with back-up recommending that Lovin Construction be awarded the contract based on the aforementioned investigation.
- On 12/7/10 Mr. Ed Hunzeker, County Administrator, sent a letter to Florida Power Solutions notifying them that their protest for this project was not sustained.

Please contact Salvatore Bordonaro Jr. if you have any questions regarding the attached documents.

Thank you for your continued assistance.
