RFQ 21-R077667SAM is amended as set forth herein. Responses to questions posed by prospective bidders are provided below. This Addendum is hereby incorporated in and made a part of RFQ 21-R077667SAM.

The deadline to submit all inquiries concerning interpretation, clarification or additional information pertaining to this RFQ was November 10, 2021.

QUESTIONS AND RESPONSES:

Q1. On the RFQ it mentions the Administration Building to be “patterned after” the Walton Tennis Center”. Could more clarity be provided on this item? Does the building HAVE to look like Walton or is there design freedom when designing the Admin building and any other possible future structures on the campus?

R1. The building does not have to look like the Walton Center and design freedom is encouraged. The idea is in reference to square footage and amenities.

Q2. I did not see any information regarding a proposed budget for the scope of work. Has that been made available to the potential participants?

R2. The proposed budget for design is \$900,000. The ROM cost estimate for construction is \$13,000,000.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFQ.
