BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure JustWare software renewal and support services from Journal Technologies, Inc. without conducting a competitive solicitation process for the following reasons:

- The Manatee County Neighborhood Services Department currently utilizes JustWare software for its existing Case Management System; the software was originally procured in 2009 through a competitive solicitation process.
- The JustWare software requires ongoing renewal and support services.
- Journal Technologies, Inc. has proprietary rights to the JustWare software and software services.
- Journal Technologies, Inc. is the sole supplier of the JustWare software and software services.
- There is no alternative to buying the JustWare software renewal and support services from Journal Technologies, Inc.

Any company that believes it can provide this good/service must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than January 24, 2022 for evaluation and consideration.
