BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure an extended warranty for Caterpillar bulldozers from the Ring Power Corporation without conducting a competitive solicitation process for the following reasons:

The Public Works Department maintains several Caterpillar bulldozers at the municipal landfill. Ring Power Corporation, Riverview, Florida, is the only Caterpillar OEM service center in Florida. It is in the financial interest of the County, to purchase extended warranties increasing the useful life of these bulldozers. The Public Works Department and the Procurement Division have determined that this extended warranty, sourced from Ring Power Corporation are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 3, 2022 for evaluation and consideration.
