Solicitation Addendum

Addendum No.: 1
Solicitation No.: 21-R077057DJ
Solicitation Title: Professional Architectural / Engineering Services
Addendum Date: February 17, 2022
Procurement Contact: Dave Janney
Senior Procurement Agent

RFQ 21-R077057DJ is amended as set forth herein. Responses to questions posed by prospective bidders are provided below. This Addendum is hereby incorporated in and made a part of RFQ 21-R077057DJ.

The deadline to submit all inquiries concerning interpretation, clarification or additional information pertaining to this RFQ is February 23, 2022.

QUESTIONS AND RESPONSES:

Q1. My question is does the County ever have the need for a restoration consulting engineering firm? Most the bigger firms that will be submitting on the current RFQ will likely not have the specialty discipline of restoration. We assess, design, bid, and perform construction administration services for roof repair and replacement, façade repairs and maintenance, and parking structure repair and maintenance. We specialize in assessment and budgeting to assist with planning purposes.

R1. Refer to Exhibit 1, Scope of Services.

Q2. For tabs 6, 7, 8, 9 where there is a total page limit of 30 – does that 30 pages include resumes?

R2. Yes, the 30 page limit includes resumes.

Q3. Can you tell me who the incumbent firms are on the current contract with the County for Professional Architectural / Engineering Services?

R3. The current firms are Fawley Bryant Architects, Inc., Fleischman and Garcia Architects and Planners, A.I.A, PA., Sweet Sparkman Architects, Inc., Stantec Consulting Services, Inc., Hall Darling Design Studio, P.A., CPH, Inc

Q4. Is the County looking more for a firm that can do most, if not all of the disciplines listed in the scope of services or does that not matter as long as the combination of proposer and subconsultants cover everything?

R4. A combination of proposer and subconsultants must cover everything. The subconsultants must be identified in the proposal.

Q5. Can you advise who the selection committee members will be on this RFQ?

R5. As of the posting of this addendum the evaluation committee members are:

- a. Kurt Mattingly
- b. Lisa Wenzel
- c. Mark Petrilla

Q6. For the above referenced RFQ, does it have to be an architectural lead or is it ok to submit with engineering as the prime?

R6. An Engineering firm as the Prime is acceptable. They must provide the Architectural subconsultant with the proposal.

Q7. Can you please send me the attendance sheet for the pre-qual meeting that was held on 2/9 for this RFQ.

R7. Sign-in sheets attached to this Addendum No. 1.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFQ.

INSTRUCTIONS:

Receipt of this Addendum must be acknowledged as instructed in the solicitation document. Failure to acknowledge receipt of this Addendum may result in the response being deemed non-responsive.

END OF ADDENDUM
