BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a new Privateer model 2100 Roamer II Peconic cabin boat from Radcliffe Boat Works, LLC without conducting a competitive solicitation process for the following reason(s):

The Parks and Natural Resources Department needs a replacement boat, to be used for testing and performing environmental programs, requiring special equipment and protection from the elements. This Roamer II cabin boat is a multi-role vessel that will support monitoring programs for the coastal waters of the County.

Research shows various types of watercrafts with similar specifications are not built by any other manufacturers. Radcliffe Boat Works, LLC is the sole manufacturer and seller of new Privateer boats.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than May 31, 2022, for evaluation and consideration.
