**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure replacement guardrail parts from Cloverleaf Corporation without conducting a competitive solicitation process for the following reason(s):

The County has been using Cloverleafs' QWICK KURB guardrail components for many years throughout the County's transportation system. These components comply with FDOT specifications and requirements. Other manufacturers' guardrail components do not match for fitment to existing Cloverleaf guardrail components. Cloverleaf Corporation is the exclusive dealer in Florida and Georgia for the QWICK KURB product line.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than June 28, 2022, for evaluation and consideration.
