BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Flowserve pumps services, installation, parts and equipment from A.C. Schultes of Florida, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department has need of pumps for water treatment processes. The County has established a standard of use to the Flowserve OEM line of pumps for certain processes. A.C. Schultes of Florida, Inc. is a Flowserve authorized dealer for these proprietary systems and the only Florida supplier capable of installing Flowserve pumps as well as providing them. The Utilities Department and Procurement have determined that this equipment, service and parts sourced from A.C. Schultes of Florida, Inc. is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than September 2, 2022 for evaluation and consideration.
