**BACKGROUND/DISCUSSION**

The Manatee County Procurement Division has completed a due diligence review and intends to procure VESTA products and services from Motorola Solutions Connectivity, Inc. without conducting a competitive solicitation process for the following reasons:

The Manatee County Public Safety Department has been utilizing VESTA products and services for its Next-Generation 911 System since 2018; the VESTA products that make up the Next-Generation 911 System require ongoing maintenance, upgrade, renewal, and support services; Motorola Solutions Connectivity, Inc. has proprietary rights to and is the sole supplier of the VESTA products and the required ongoing maintenance, upgrade, renewal, and support services; and there is no reasonable alternative to procuring the required VESTA products and services from Motorola Solutions Connectivity, Inc.

Any company that believes it can provide these goods/services must submit detailed information about its goods/services to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than November 17, 2022.
