BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Forum Ivory porcelain tiles; Mapei epoxy grout and mortar, mud med mix, and tile mortar; Sentinel 8” bridge saws and tile diamond blades; and Delta leveling systems from Floor and Décor Outlets of America Inc. without conducting a competitive solicitation process for the following reason(s):

The Manatee County Central Jail’s dorm and pod showers were previously renovated with the same type materials. The Manatee County Sheriff’s Office wants to maintain use of the same type of renovation materials for durability, withstanding high frequency use by inmates, as well as for standardization and compatibility.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 22, 2022, for evaluation and consideration.
