**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure a five-year TechConnect™ Support Agreement from Rexel without conducting a competitive solicitation process for the following reason(s):

This support agreement allows the County's Southwest Regional Treatment Plant to be connected to Rockwell Automation's phone and electronic technical support for supporting Allen-Bradley and Rockwell Automation products and software. Rexel is the only distributor authorized by Rockwell Automation to resell Allen-Bradley and Rockwell software products and related services in our geographic area.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than March 7, 2023, for evaluation and consideration.
