BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Caterpillar heavy equipment extended warranty services from Ring Power Corporation without conducting a competitive solicitation process for the following reason(s):

The Public Works Department, Fleet Maintenance Division, maintains Caterpillar earth moving machines for the public landfill. This equipment is covered under a manufacturer's warranty that must be extended as the original warranties are soon expiring. Ring Power Corporation, Riverview, Florida, is the only Caterpillar OEM dealer and service center in Florida. The Public Works Department and the Procurement Division have determined these extended warranties, sourced from Ring Power Corporation, are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 17, 2023 for evaluation and consideration.
