BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Nayax credit card transaction software and products that make up the Nayax Cashless and Remote Monitoring Solution, from Nayax, LLC, without conducting a competitive solicitation process for the following reasons:

The Manatee County Library System currently utilizes Today’s Business Solution (TBS) Kiosk Printing System for all its printing needs. The TBS Kiosk Printing System requires a cashless and remote monitoring solution. Nayax, LLC is the sole company that was designated by TBS to provide the cashless and remote monitoring solution for each TBS Kiosk Printing System. Through collaboration and integration between Nayax and TBS, the Nayax Cashless and Remote Monitoring Solution is proven to be compatible with the TBS Kiosk Printing System. There are other companies that offer similar solutions; however, the compatibility of each solution with the TBS Kiosk Printing System is unknown. Therefore, procuring the cashless and remote monitoring solution from Nayax, LLC will ensure compatibility with the County’s existing Kiosk Printing System.

Any company that believes it can provide these goods/services must submit detailed information about its goods/services to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 23, 2023.
