BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Rhino Roller turf equipment parts and service from Everglades Equipment Group without conducting a competitive solicitation process for the following reason(s):

The Public Works Department specifies and maintains turf and landscape equipment for County enterprise-wide operations. Rhino is the OEM for a line of turf care specialty equipment that has been selected as a standard of use for County turf care needs. Everglades Equipment Group is the only Rhino OEM authorized dealer and service provider in the area. The Public Works Department and Procurement have determined that this equipment, parts and services, sourced from Everglades Equipment Group, is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 24, 2023, for evaluation and consideration.
